

Syed Mubassar Abbas Rizvi

Web Developer

Obtain a challenging IT internship where i can use my strong educational background and specialized training to add value to the firm. Proficiency in range of computing systems, languages and associated tools. Astonishing problem solving skills, communication skills and a team player. I am eager to be challenged in order to grow and further improve my IT skills. My greatest passion is in life is using my technical know-how to benefit other people and organizations.
